MISSION

THE NEXT LEVEL OF ESCAPE

IN COOPERATION WITH

WELCOME TO THE NEXT LEVEL OF ESCAPE

MISSION is a completely new adventure that presents your customers with entertaining and exciting challenges in different mission rooms in one of your vacancies.

Depending on the room, skill combinatorial ability, speed or team spirit are required to pass the respective adventure, collect as many points as possible and, above all, have fun!

ADVANTAGES FOR YOUR LOCATION

- Attractive vacant space with low investment risk
- Cool entertainment for your customers - especially for the main target group young adults
- Positive image for your location
- **ADDITIONAL FREQUENCY = MORE SALES**

USE YOUR TALENTS

Each adventure has different difficulty levels for tactic, skill and speed. This allows customers to choose what is most fun.

SCOREBOARD

The scoreboards in front of the rooms show the accumulated score.

Are you the best of the week? Then you can be invited to the „Best-Of Challenge“ again and win great prizes (campaign planning of the location).

WIN-WIN

LOCATION:
Experience-occupation of vacant spaces - thereby additional sales + frequency

CUSTOMER:
Experience + added value in the location

UNLOCK YOUR ROOMS

Customers can use the wristband to start any existing mission room. A room can also be played more than once.

KEY-ARMBAND

Against a deposit and the payment of a game fee, the customer fetches a key wristband from the terminal.
